

TECHNICAL SPECIFICATIONS

DIMENSIONS

SPECIFICATIONS			
ENGINE			
Engine Type	Twin Scroll Turbo High Pressure (THP) with Direct Petrol Injection, 4 In-line cylinders, DOHC 16 Valve, VVT (Variable Valve Timing)		
Fuel Supply System	Electronic multi point fuel injection system		
Fuel Type	Petrol, min. Ron 95		
Bore x Stroke	77.0mm x 85.8mm		
Displacement	1,598cc		
Max Horsepower	156bhp @ 6000rpm		
Max Torque	240Nm @ 1400rpm		
TRANSMISSION			
Type	6 speed auto adaptive transmission with Paddle shift, Tiptronic and Sport mode		
BRAKING			
Braking System Type (Front)	Ventilated discs		
Braking System Type (Rear)	Solid discs		
SUSPENSION			
Suspension System (Front)	Macpherson type struts with helical springs and dampers and anti roll bar		
Suspension System (Rear)	Multi-arm with helical springs and multi-valve dampers		
STEERING			
	Electro-hydraulic power assisted steering		
DIMENSION			
Wheel size	235/45 R18		
Spare tyre size	215/60 R16		
Fuel tank	72 litres		
Turning circle	11.9 metres		
PERFORMANCE (APPROXIMATE)			
Maximum speed (EU)	220km/h (approximate) (limited by ECU)		
Acceleration 0-100km/h (EU)	9.2 seconds (approximate)		
Combined Drive Cycle (EU)	7.1 litres/100km (approximate)		
Aerodynamics (Cx/SCx)	0.26/0.62		
CO ₂ emission (g/km)	164

EXPERIENCE SOMETHING SPECIAL

508 embodies the essence of Peugeot with their innovative design and top equipment features. This new grand tourer has one goal in mind: to make every minute spent in the car special.

With elegance, strength and perfect balance, the styling suggests a vehicle sculpted from a single block. At the front, the 508 defines the new stylistic codes of Peugeot. The grille is "floating", giving the impression of being detached from the bodywork. Combining chrome and satin surfaces, the feline headlamps have been designed with particular care with the signature circular LED day time running lights. At the rear, three red tubes resembling claws in the tail lights shelter three rows of LEDs. The lines of the vehicle's sides are intentionally refined and set off by the satin chrome surround of the glazed surfaces.

Intelligent keyless entry with push start/stop button

Dynamic Bi-Xenon directional headlamps

Intuitive control knob in centre console

6 airbags

TRUST IN ITS INTELLIGENCE

Intelligent, innovative and intuitive, 508 benefits from next-generation technologies. They inform you, help you and facilitate your driving with minimum effort.

EXTERIOR

- Dynamic bi-xenon headlamps with headlight washers, auto height adjustment and smart beam function
- 18" alloy rims
- Front and rear park assist with audio and visual display
- Available space measurement (ASM) aid
